

KAMAL KHATIM

Logistics & Supply Chain Specialist — IT Systems — MS Access & VBA Analyst-Developer

Martil, Morocco | Availability: International | kmlkhatim@gmail.com | WhatsApp: +212 772 627 914 | linkedin.com/in/kmlkhatim

PROFESSIONAL PROFILE

Supply Chain and Logistics professional with 14 years of experience leading industrial operations and digitalizing business processes. Skilled in warehouse optimization and management of multidisciplinary teams (20+ staff). Rare dual expertise in data engineering (Microsoft Access, SQL, VBA, Power Query), enabling the design of custom solutions (WMS/ERP), automation of controls, and safeguarding of operational profitability (20% reduction in stock losses).

KEY SKILLS

- Supply Chain & Warehouse Management:** Multi-site inventory management, procurement, flow optimization, maintenance planning, risk management.
- Digitalization & Data Engineering:** Database design (Access, SQL), process automation (VBA), BI dashboards (Power Query, advanced Excel), Odoo ERP.
- Management & Leadership:** Supervision of 20+ staff, HR management, change management, financial and budget planning.
- Performance & Control:** KPI definition, stock auditing, executive reporting, operational cost reduction.

TECHNICAL PROJECTS & DEVELOPMENT (PORTFOLIO)

Custom ERP / WMS — Industrial Logistics Management — Personal Project

September 2024 – Present

- Architecture & Modeling:** End-to-end design of a complete warehouse management system in MS Access & VBA, built on a relational database of 21+ tables.
- Business Intelligence:** Development of dynamic dashboards (Excel / Power Query) for real-time stock tracking, automated calculation of logistics KPIs, and supplier performance monitoring.

Administrative & Fleet Management Platform — Personal Project

2026 – Present

- Integrated System:** Development of an 18-table relational platform covering HR, procurement, fleet maintenance, and financial tracking modules.
- Automation:** Digitalization of expense tracking, automatic document archiving, and contract deadline management.

PROFESSIONAL EXPERIENCE

Operations Director — Boulangerie FATTAL, Bangui, Central African Republic

July 2016 – August 2024 (8 years 1 month)

- Full Site Management:** Operational, logistics, and financial management of a multifunctional site supervising more than 20 staff (personnel management, scheduling, skills development).
- Digitalization & Financial Gains:** Deployed a custom MS Access tool for inventory tracking (replacing paper-based records), achieving a 20% reduction in raw material and packaging losses.
- Financial & KPI Management:** Built financial and operational dashboards by unit, giving management a clear overview to support strategic decision-making.
- Operational Continuity:** Rigorous control of raw materials, oversight of the cold chain, and preventive maintenance management in a constrained environment.

Logistics Manager — SCAD, Loko / M'Baïki & Bangui HQ, Central African Republic

July 2007 – October 2013 (6 years 4 months)

- Multi-Site Management:** Oversaw logistics, forestry stock, raw materials, and equipment fleet across multiple sites.
- Availability Optimization:** Equipment planning and consumables tracking that maintained a high rate of operational equipment availability in the field.
- Reporting & Control:** Prepared daily, weekly, and monthly reports ensuring alignment between field operations, finance departments, and senior management.

2013 – 2016 career break: Transition and relocation due to the geopolitical situation in the Central African Republic — used to continue developing technical and logistics skills.

EDUCATION & CERTIFICATIONS

- Certified Accounting Manager — 2021
- Diploma in IT Maintenance & Support (Associate degree / RNCP Level 5) — CESI Paris — 2020
- Training in Computerized Logistics Systems — 2008
- Baccalaureate in Economic and Social Sciences — 2007

TECHNICAL SKILLS & LANGUAGES

- **Tools & Data:** MS Access (Expert), Excel / VBA (Expert), SQL, Power Query, Odoo ERP (Functional User), Integrations / APIs (ODBC, XML-RPC).
- **Languages:** French (Fluent / Working language), English (Intermediate / Technical), Spanish (Intermediate), Arabic (Basic), Sign Language (LSF/ASL – Practical).

HONORS & COMMUNITY INVOLVEMENT

- **Honors:** Gold Medal of Labor (2023), Commander of the National Order of Merit (2023), Officer of the National Order of Merit (2022).
- **Interests:** Mentoring young talent (leadership development), running & swimming.
